ACCOUNTANT'S COMPILATION REPORT

To the Board of Directors
Emerald Hills Safety Enhancement District
Hollywood, Florida

Management is responsible for the accompanying financial statements of the governmental activities and the major fund of Emerald Hills Safety Enhancement District (the "District"), a component unit of The City of Hollywood, Florida, as of and for the year ended September 30, 2018, which collectively comprise the District's basic financial statements as listed in the table of contents in accordance with accounting principles generally accepted in the United States of America. We have performed a compilation engagement in accordance with Statements on Standards for Accounting and Review Services promulgated by the Accounting and Review Services Committee of the AICPA. We did not audit or review the financial statements nor were we required to perform any procedures to verify the accuracy or completeness of the information provided by management. Accordingly, we do not express an opinion, a conclusion, nor provide any form of assurance on these financial statements.

Management has elected to omit substantially all the disclosures required by accounting principles generally accepted in the United States of America. If the omitted disclosures were included in the financial statements, they might influence the user's conclusions about the District's financial position, results of operations, and cash flows. Accordingly, the financial statements are not designed for those who are not informed about such matters.

Management has omitted the budget to actual comparison – general fund that accounting principles generally accepted in the United States of America require to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting and for placing the basic financial statements in an appropriate operational, economic, or historical context.

We are not independent with respect to Emerald Hills Safety Enhancement District.
